

# CAREER ACCELERATOR PROGRAM - FALL 2025

As part of the Fall Career Program, MQE offers students the opportunity to join a Career Accelerator Program - a high-impact series led by MQE guest experts. These hands-on sessions build practical skills, industry insights, and professional connections to help students transition from classroom to career.

For this Career Accelerator Program, MQE is partnering with real estate investment firm, **Reli!**

Reli is the marketplace for private real estate — built for investors who want premium opportunities without the traditional friction. Reli's platform gives investors access to institutional-quality investments, zero commissions, and professional management — all in one place.

---

◆ ◆ ◆ ◆

## Program Overview:

Work with Reli on a project to transform how deals are vetted and presented to investors.

## What You'll Do:

- Build a financial underwriting model for Offering Memorandums submitted by real estate sponsors.
- Design a dashboard that applies underwriting logic to deliver consistent deal analysis.
- Collaborate with Reli's team to create a scalable solution that supports investor trust and platform growth.

## Why This Project Matters:

- Reli ensures that every deal presented to investors is real, vetted, and high-quality.
- Current underwriting is manual and outdated. Your work will create a standardized, efficient, and scalable process.
- This project supports Reli's growth while building tools that may evolve into a SaaS solution for institutional investors.

## What You'll Gain:

**Hands-On Impact:** Tackle a real-world problem at the intersection of real estate finance and technology.

**Industry Experience:** Gain firsthand knowledge of how underwriting works in the real world of real estate investment.

**Mentorship:** Work closely with Reli's leadership, learning from industry professionals.

 **TIMELINE: FALL TERM SEPT. 29 – DEC. 12**

 **INDEPENDENT TEAMWORK WITH THE STUDENT TEAM DRIVING THE PROJECT**

 **WEEKLY VIRTUAL CHECK-INS WITH RELI FOR GUIDANCE & SUPPORT**
